# GUIDELINES FOR DROP-OFF/PICK-UP

PLEASE FOLLOW OUR CARPOOL PROTOCOL TO ASSURE SAFETY FOR ALL STUDENTS

## Carpool DROP OFF

**Strict drive through Carpool Drop-Off will be on 1725 DUFOSSAT Street.**

- Please plan to arrive 10 minutes prior to the scheduled class time.
- **REMAIN IN YOUR VEHICLE** and pull forward until the coach arrives and opens passenger side door.
- Any gymnast who arrives early, please plan on waiting in your vehicle until it is 10 minutes before class time to allow other classes to clear out of the waiting area/lobby and to exit the building safely.
- Traffic must face Danneel Street/Manning Athletic Area/Football Field.
- Do not leave your car parked **UNATTENDED** in carpool area or block other cars from driving up to entrance. Please be considerate and find a parking space in the neighborhood.
- All students must wear shoes to and from the gym. No food allowed in the gym.
- If you arrive after the session starts please park and escort the student inside, then wait in waiting area for your student to be checked-in before you leave.

## Carpool PICK UP

**Strict Carpool Pick-Up behind the building on DANNEEL Street only.**

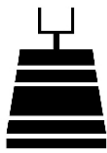

- **PLEASE DO NOT COME INSIDE THE GYM TO PICK UP YOUR STUDENT.**
- All student must be picked up on the DANNEEL Street garage exit ONLY.
- Please **STAY IN YOUR CAR** and pull forward so traffic can move faster.
- Do not leave your car **UNATTENDED** in Pick-Up zone.
- Coaches will walk your child to your car when your car reaches Pick-Up zone.

**If you are WALKING to pick up your student, please park in a designated parking space and wait to the sides of DANNEEL street garage door exit.**

- **PLEASE DO NOT COME INSIDE THE GYM TO PICK UP YOUR STUDENT.**
- Please **DO NOT WAIT OR PARK IN FRONT OF EXIT DOORWAY**. We need this area clear for car pool pick-up only.
- Walking parents, please line up on the **LEFT SIDE** of **DANNEEL Garage doorway** and tell a coach the name of your child.
- Young children tend to run out in the street when they see parents walking. **Never call out to them from across the road** – they may run to you without checking for traffic.
- Always hold your child's hand. Children need your help to spot dangers such as vehicles coming out of driveways. They can also be easily distracted and wander into traffic.
